

SONG 1

I hope that the days come easy and the moments pass slow,
And each road leads you where you want to go,
And if you're faced with a choice, and you have to choose,
I hope you choose the one that means the most to you.
And if one door opens to another door closed,
I hope you keep on walkin' till you find the window,
If it's cold outside, show the world the warmth of your smile,

But more than anything, more than anything,

My wish, for you, is that this life becomes all that you want it to,
Your dreams stay big, and your worries stay small,
You never need to carry more than you can hold,
And while you're out there getting where you're getting to,
I hope you know somebody loves you, and wants the same things too,
Yeah, this, is my wish.

I hope you never look back, but ya never forget,
All the ones who love you, in the place you left,
I hope you always forgive, and you never regret,
And you help somebody every chance you get,
Oh, you find God's grace, in every mistake,
And you always give more than you take.

But more than anything, yeah, and more than anything,

My wish, for you, is that this life becomes all that you want it to,
Your dreams stay big, and your worries stay small,
You never need to carry more than you can hold,
And while you're out there getting where you're getting to,
I hope you know somebody loves you, and wants the same things too,
Yeah, this, is my wish.

My wish, for you, is that this life becomes all that you want it to,
Your dreams stay big, and your worries stay small,
You never need to carry more than you can hold,
And while you're out there getting where you're getting to,
I hope you know somebody loves you, and wants the same things too,
Yeah, this, is my wish.

This is my wish
I hope you know somebody loves you
May all your dreams stay big

SONG 2

When dreaming I'm guided to another world
Time and time again
At sunrise I fight to stay asleep
'Cause I don't want to leave the comfort of this place
'Cause there's a hunger, a longing to escape
From the life I live when I'm awake

So let's go there
Let's make our escape
Come on, let's go there
Let's ask can we stay?

Can you take me Higher?
To a place where blind men see
Can you take me Higher?
To a place with golden streets

Although I would like our world to change
It helps me to appreciate
Those nights and those dreams
But, my friend, I'd sacrifice all those nights
If I could make the Earth and my dreams the same
The only difference is
To let love replace all our hate

So let's go there
Let's make our escape
Come on, let's go there
Let's ask can we stay?

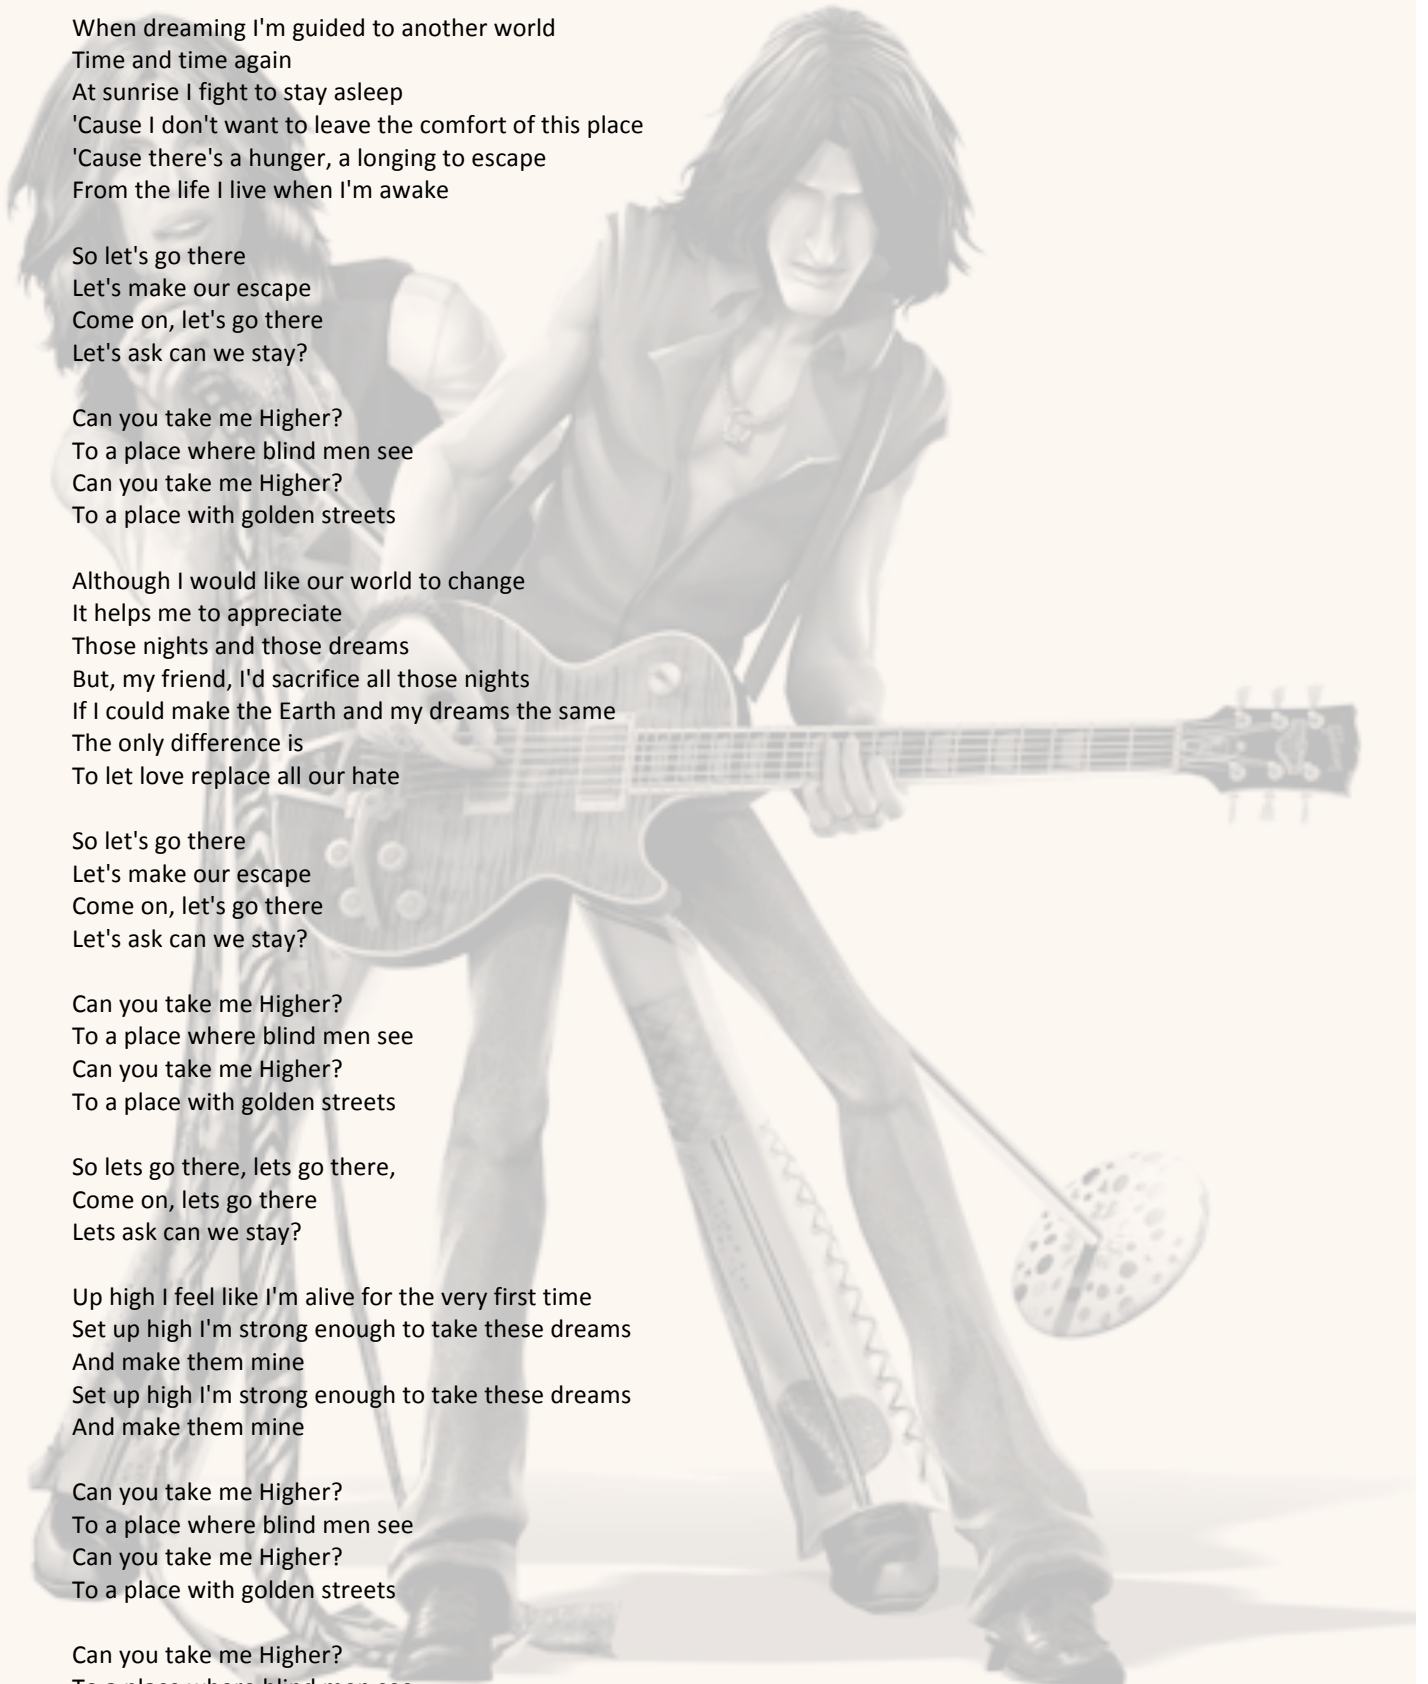

Can you take me Higher?
To a place where blind men see
Can you take me Higher?
To a place with golden streets

So lets go there, lets go there,
Come on, lets go there
Lets ask can we stay?

Up high I feel like I'm alive for the very first time
Set up high I'm strong enough to take these dreams
And make them mine
Set up high I'm strong enough to take these dreams
And make them mine

Can you take me Higher?
To a place where blind men see
Can you take me Higher?
To a place with golden streets

Can you take me Higher?
To a place where blind men see
Can you take me Higher?
To a place with golden streets

SONG 3

I tried to be perfect
But nothing was worth it
I don't believe it makes me real
I thought it'd be easy
But no one believes me
I meant all the things I said

If you believe it's in my soul
I'd say all the words that I know
Just to see if it would show
That I'm trying to let you know
That I'm better off on my own

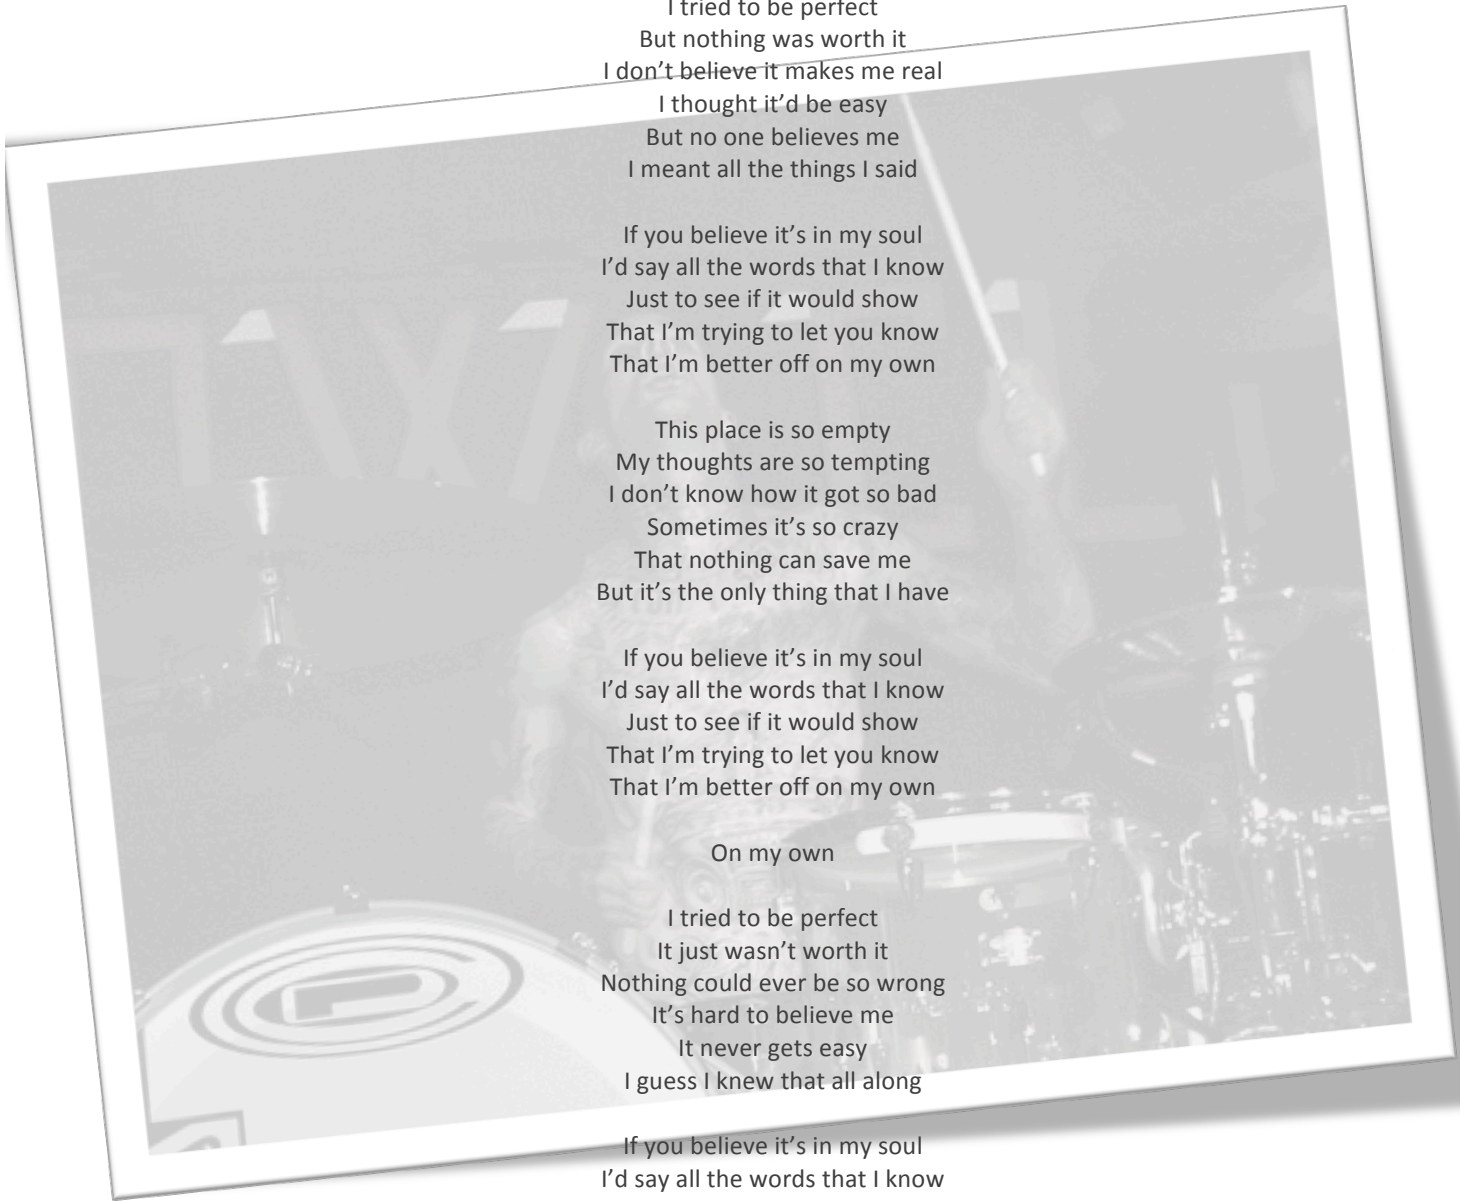

This place is so empty
My thoughts are so tempting
I don't know how it got so bad
Sometimes it's so crazy
That nothing can save me
But it's the only thing that I have

If you believe it's in my soul
I'd say all the words that I know
Just to see if it would show
That I'm trying to let you know
That I'm better off on my own

On my own

I tried to be perfect
It just wasn't worth it
Nothing could ever be so wrong
It's hard to believe me
It never gets easy
I guess I knew that all along

If you believe it's in my soul
I'd say all the words that I know
Just to see if it would show
That I'm trying to let you know
That I'm better off on my own

SONG 4

I was walking down the street,
When out the corner of my eye
I saw a pretty little thing approaching me.
She said "I've never seen a man
Who looks so all alone,
Could you use a little company?
If you can pay the right price
Your evening will be nice,
And you can go and send me on my way."
I said "You're such a sweet young thing
Why you do this to yourself?"
She looked at me and this is what she said:

"Oh, there ain't no rest for the wicked,
Money don't grow on trees.
I got bills to pay,
I got mouths to feed,
There ain't nothing in this world for free.
I know I can't slow down,
I can't hold back,
Though you know, I wish I could.
No there ain't no rest for the wicked,
Until we close our eyes for good".

Not even fifteen minutes later
I'm still walking down the street,
When I saw a shadow of a man creep out of sight.
And then he sweeps up from behind
And puts a gun up to my head,
He made it clear he wasn't looking for a fight.
He said "Give me all you've got
I want your money not your life,
But if you try to make a move I won't think twice."
I go like "You can have my cash
But first you know I got to ask
What made you want to live this kind of life?"

He said "There ain't no rest for the wicked,
Money don't grow on trees.
I got bills to pay,
I got mouths to feed,
There ain't nothing in this world for free.
I know I can't slow down,
I can't hold back,
Though you know, I wish I could.
No there ain't no rest for the wicked,
Until we close our eyes for good".
Now a couple hours have passed
And I was sitting at my house,
The day was winding down and coming to an end.
So I turned on the TV
And flipped it over to the news,
And what I saw I almost couldn't comprehend.
I saw a preacher man in cuffs he'd taken money from the church,
He stuffed his bank account with righteous dollar bills.
But even still I can't say much
Because I know we're all the same,
oh yes we all seek out to satisfy those thrills

"Oh, there ain't no rest for the wicked,
Money don't grow on trees.
We got bills to pay,
We got mouths to feed,
There ain't nothing in this world for free.
I know we can't slow down,
We can't hold back,
Though you know, we wish we could.
No there ain't no rest for the wicked,
Until we close our eyes for good"

SONG 5

Hey darling, I hope you're good tonight
And I know you don't feel right when I'm leaving
Yeah, I want it but no, I don't need it
Tell me something sweet to get me by
'Cause I can't come back home 'til they're singin'

La, la la la, la la la
'Til everyone is singin'

If you can wait 'til I get home
Then I swear to you that we can make this last
(La la la)
If you can wait 'til I get home
Then I swear come tomorrow, this will all be in our past
It might be for the best

Hey sweetie, I need you here tonight
And I know that you don't wanna be leaving
Yeah, you want it but I can't help it
I just feel complete when you're by my side
But I know you can't come home 'til they're singin'

La, la la la, la la la
'Til everyone is singin'
La, la la la, la la la

If you can wait 'til I get home
Then I swear to you that we can make this last
(La la la)
If you can wait 'til I get home
Then I swear come tomorrow, this will all be in our past
It might be for the best

You know you can't give me what I need
And even though you mean so much to me
I can wait through everything
Is this really happening?
I swear I'll never be happy again
And don't you dare say we can just be friends
I'm not some boy that you can sway
We knew it'd happen eventually

La, la la la, la la la
Now everybody's singin'
La, la la la, la la la
Now everybody's singin'
(If you can wait 'til I get home)
La, la la la, la la la
Now everybody's singin'
(Then I swear we can make this last)
La, la la la, la la la
Now everybody's singin'

If you can wait 'til I get home
Then I swear we can make this last

SONG 6

Rejected...since day one
My name is...bastard son
I've been damned...so many times I've lost count
Blue collar...working man
Devises...master plan
Bi-polar...with a mental side arm

I'm sick and I'm twisted
I'm broken you can't fix it
Don't make me, cause I'll do it
Red button and we'll all go

Into the river below...I'm running from the inferno...
They'll think I'm insane, but you'll all know my name!
Into the river below...I'm running from the inferno...
I'll take all the blame, the front page and the fame!

Contraption...made up of
Nuts and bolts...creates the
New monster...to burn your family tree down!
Tick-tocking...times up now
Split second...the world frowns
Lonely heart...never loved nobody!

I'm sick and I'm twisted
I'm broken an' you can't fix it
Don't make me, cause I'll do it
Red button and we'll all go

Into the river below...I'm running from the inferno...
They'll think I'm insane but you'll all know my name!
Into the river below...I'm running from the inferno...
I'll take all the blame, the front page and the fame!

I'll take all the blame
The front page and the fame
INTO THE RIVER BELOW
INTO THE RIVER BELOW
INTO THE RIVER BELOW
INTO THE RIVER BELOW

Into the river below...I'm running from the inferno...
They'll think I'm insane but you'll all know my name!
Into the river below...I'm running from the inferno...
I'll take all the blame, the front page and the fame!

Yeah I'll take all the blame
The front page and the fame
But you'll all know my name
And they'll think I'm insane
But you'll all know my name
But they'll think I'm insane
